

# 2024 Remembrance Ornament

Generously sponsored by  
EasyPaymentSolutions.com

*Honoring and remembering loved ones is an important piece of the healing process, especially during the holidays*

This year's Remembrance Ornament features a beautiful butterfly in a heart, made of handcrafted pewter. We'll help you honor your loved one by adding their name to the customized tag and ribbon that will hang from the ornament.

All proceeds help us in our mission to serve all patients who cannot afford hospice while also supporting services for families who are grieving.
