

# Memory Bear Application

All handmade Memory Bears measure approximately 14-15 inches tall. Clean, cotton-based fabrics work best. Please note that our volunteer crafters are unable to work with leather, stretch knits, or blankets.

We ask that you provide no more than four fabric items; minor imperfections are to be expected. To ensure we can serve as many families as possible, requests are limited to two Memory Bears per hospice patient family.

## How do I get started?

- Drop off or mail bottom of form plus articles of fabric to our main office: 15 Strawberry Ave. Lewiston, ME 04240
  - For Questions please reach out to:

**Andwell Hospice Bereavement Services**

**bereavement@andwell.org or call 207-707-1202**

Memory Bears are crafted at no charge for families in our Andwell Hospice services. Donations to support this service or our hospice program are encouraged.
