Welcome

Thank you for remembering, honoring, and celebrating the lives of those we've lost and those who have touched our hearts. Your support makes it possible for us to continue offering exceptional hospice and bereavement care to the Maine community, and for that we are deeply thankful.

Ken Albert
President & CEO

Four Candles

The *first candle* represents our grief. The pain of losing you is intense. It reminds us of the depth of our love for you.

This *second candle* represents our courage –the courage to confront our sorrow, to comfort each other, to change our lives.

This *third candle* we light in your memory. For the times we laughed, the times we cried, the times we were angry with each other, the funny things you did, the caring and joy you gave us.

This *fourth candle* we light for our love. We light this candle that your light will always shine. We think of you each day and share your memory with our family and friends.

We cherish the special place in our hearts that will always be reserved for you.
We thank you for the gift your living brought to each of us. We love you.
We remember you.

Legacy Hospice of Southern Maine Founders

The story of Hospice of Southern Maine began with a community of visionaries who believed every person deserves comfort, dignity, and compassion at life’s end. We are proud to honor those whose founding gifts helped make that vision a reality. As we celebrate Andwell Health Partners’ 60th anniversary and our shared future together, we remain deeply grateful for the foundation they built and the lives they have touched.
